Mr. Matthew Miller  
FEMA  
500 "C" Street, SW  
Washington, DC 20472

Dear Mr. Miller:

I accept your non-response to my letter to you dated February 1, 2001 as further confirmation that FEMA does not have any basis that the Lexington County and Cayce resolutions we discussed in our meeting on January 29, 2001 in Atlanta are not in accord with the regulations of the National Flood Insurance Program (44CFR). Accordingly, we will proceed on the basis that FEMA will issue a Letter of Final Determination that is based on the September 26, 2000 map by FEMA in accord with the Lexington County and Cayce resolutions that were provided to FEMA on November 21, 2000 (and November 16, 2000) and on December 5, 2000; respectively.

Sincerely,

  
Avery B. Wilkerson, Jr.  
Mayor
